

FORGING FUTURE

IIT KHARAGPUR ANNUAL IMPACT RISE CONCLAVE

 *17-18th January, 2026*

 *IIT KGP Research Park,
Newtown, Kolkata*

*ENGINEERING SOCIAL CHANGE
CONVERGING CAPITAL, INNOVATION, AND ACTION*

A Legacy of Excellence, A Vision for Impact

75 Years of Service

As India's first and foremost IIT, we've been dedicated to building a self-reliant nation through technological excellence. For seventy five years, IIT Kharagpur has shaped innovators who transform the world.

In our Platinum Jubilee year, we're expanding our mission beyond technology into sustainable societal transformation through Research, Innovation, Skilling & Entrepreneurship.

A New Tradition Begins

The IIT Kharagpur Research Park Foundation celebrates its 5th Foundation Day by launching a premier platform for impact partnerships.

This inaugural Annual CSR Conclave bridges academia, industry, start-up, NGOs, and government to engineer scalable, measurable social change aligned with UN Sustainable Development Goals.

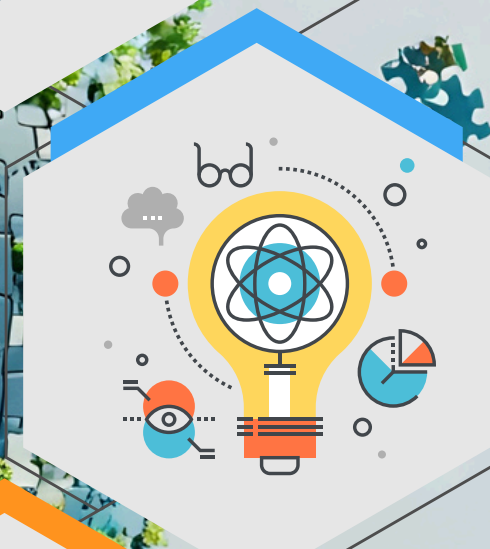

The Conclave establishes an annual nexus for catalytic partnerships that leverage science, technology, and innovation to address India's most pressing social and environmental challenges.

Moving Beyond Conventional Philanthropy

STRATEGIC ALIGNMENT
Connect CSR capital with technical expertise and ground-level experience

INNOVATION ECOSYSTEM
Foster collaboration between academia, industry, and social sector

MEASURABLE IMPACT
Create scalable solutions with transparent, trackable outcomes

IMPACT PARTNERSHIPS: A Win for Every Stakeholder

CSR Companies

Access a curated portfolio of high-impact, technology-backed, measurable projects for strategic CSR investment with transparent ROI and alignment to SDGs.

Startups & Social Enterprises

Showcase innovative solutions, attract grant funding or impact investment, and find pilot partners to scale proven models rapidly.

NGOs & Social Organisations

Connect with cutting-edge technological solutions, capacity-building resources, and sustainable funding streams to amplify on-ground impact exponentially.

IIT Kharagpur

Channel research prowess in sustainable agriculture, water management, affordable healthcare, and clean energy into real-world applications with tangible social footprint.

IIT Kharagpur Research Park

Channel research prowess in sustainable agriculture, water management, affordable healthcare, and clean energy into real-world applications with tangible social footprint.

IIT Kharagpur Alumni

Engage meaningfully in the impact segment through mentoring or monitoring projects, contributing expertise to nation-building initiatives.

All Stakeholders

Co-create solutions in a collaborative environment fostering ideation, demonstration of proven concepts, and long-term strategic partnerships.

THE CONCLAVE EXPERIENCE

Four Dynamic Parts

1

THE PLENARY

Inaugural addresses from IIT KGP leadership and distinguished guests, keynote on "The Future of Impact: Technology, Transparency, and Transformation,"

Release of IIT KGP Impact Portfolio, and MoU signings

2

THEMATIC SESSIONS

Parallel deep dives into critical sectors: **Sustainable Rural Development, Health & Sanitation, Education & Skill Development, and Clean Energy & Environment** with thought leaders and practitioners.

IMPACT PAVILION

Exhibition featuring IIT KGP Research Labs demonstrating **Technologies, Start-ups, NGO Poster Gallery.**

Launch of Sus10 Certification Courses in Impact, Sustainability & ESG.

3

RISE SANDBOX WORKSHOP

Facilitated closed-door session where CSR heads, NGOs, and IIT KGP faculty co-create blueprints for complex challenges like **"Zero-Budget Water Positive Villages"** or **"Net-Zero Academic Campus."**

4

RESEARCH PARK
NEW TOWN, RAJARHAT

EXPECTED OUTCOMES

Building Lasting Impact

Knowledge Repository

Living database of challenges, solutions, and partners accessible to the ecosystem

Media Amplification

Widespread coverage highlighting technology and academia driving social change

Annual Tradition

Must-attend event in CSR calendar, positioning IIT KGP as thought leader in social impact

This Conclave ignites a sustained movement, not a solitary event. The Office of Strategy Execution, through the IIT Kharagpur Research Park Foundation, will establish a dedicated Impact Partnership Cell for the RISE of IIT Kharagpur.

Year-round facilitation: Connecting partners, monitoring progress, providing technical support, and ensuring the partnerships forged at the Conclave translate into measurable, lasting social change.

Continuous engagement: Regular progress reviews, knowledge sharing sessions, and iterative improvements to maximise impact and sustainability.

The Impact Partnership Cell

BEYOND THE EVENT Sustaining the Movement
